

BIO & PRESENTATION LIST 2020

Anastasia Hayes Piper, is an inspirational intellectual Medium and the creator of *Heavenly Musings*.

Heavenly Musings is an illuminated pathway that was created to guide those seeking transformation. The process reflects her life experiences and how they led her to take responsibility to elevate her consciousness and change her world. As she elevates her own consciousness she is automatically shaping the collective consciousness towards peace and lightness of being.

It is Anastasia's mission and intention to use light and sound to shift people's reality to create spiritual balance and harmony.

She has created a life and harmony that is played according to the map she personally designed and is in alignment with her truth and pursuit of happiness. By strengthening the relationship with self, tapping into her spiritual source (light and sound) and engaging in sacred service, Anastasia has developed a key to unlock the mysteries of life that she would love to share with you.

For example, in the *From Fashion to Enlightenment* presentation, she shares her personal journey, from the cover of *Woman's Home Companion* 1947 through the fashion and cosmetic companies of Yves St. Laurent, Estee Lauder, Lancome, Gianni Versace and Gucci to 11 years of service in the non-profit sector. It's been both empowering and humorous and she is grateful to be able to pass on the teachings and lessons she has learned along the way.

Born in New York City she worked and travelled the world. Anastasia has a unique understanding of the planet and it's people. The vision she holds is of empowerment for all. Her mission is to serve that vision. It is a journey of inspiration, the overcoming of obstacles and many blessings.. Anastasia speaks from experience with clarity and certainty, while standing in her truth. Let her assist you in the next steps of your journey with love and compassion as she brings forth messages that uplift and empower.

At the moment, Anastasia is offering a group of presentations to the community. She is an experienced speaker and a great teacher.
